Governor,

Pat, Joe and I have all been able to read the attachment and have been discussing some of these issues. Our plan is to do a little more work verifying several items and then get together first thing in the morning. We will coordinate our comments and get them to you. My hope is that we can do a dry run in the morning going through the talking points and the charts. Hope that sounds fine to you.

Mike

Pat, Joe and I have been discussing the outstanding items for tomorrow. The two big remaining jobs are the charts and your talking points. The charts are pretty much ready to go to print other than the name of our new plan. We could complete that tonight or first thing in the morning to get them ready by 2:00pm. Did you want to go with Privileged or Personal Ma Privileged or Personal Materi?

The other item is the talking points. Beth has made changes and Pat made additional corrections beyond that. Shall we keep fine tuning or are you down the road making edits? Please let me know if there is something I can do to help finalize the talking points.

Mike
